O'Shaughnessy has produced an excellent overview that demystifies the college planning process for students and families." —Barmak Nassirian, American Association of Collegiate Registrars and Admissions Officers For millions of families, the college planning experience has become extremely stressful. And, unless your child is an elite student in the academic top 1%, most books on the subject won't help you. Now, however, there's a college guide for every one. In The College Solution, top personal finance journalist Lynn O'Shaughnessy presents an easy-to-use roadmap to finding the right college program (not just the most hyped) and dramatically reducing the cost of college, too. Forget the rankings! Discover what really matters: the quality and value of the programs your child wants and deserves. O'Shaughnessy uncovers "industry secrets" on how colleges actually parcel out financial aid—and how even "average" students can maximize their share. Learn how to send your kids to expensive private schools for virtually the cost of an in-state public collegeand how promising students can pay significantly less than the "sticker price" even at the best state universities.
